Recipient: Technical Support Hello - Abigail is speaking.

Attacker: Hi, is this ████████ Enterprise?

Recipient: Yes.

Attacker: Hi, is my call connected - ah, to Daichi Mori from ████████ Enterprise?

Recipient: Can you give me a case number?

Attacker: Ah, actually I spoke to Colin, you know Colin?

Recipient: Yes.

Attacker: I had spoken to him, my name is Dana, Dana Hobbs. I'm from Japan, I need to get in touch with the gentlemen Daichi Mori who is working with ████████ Enterprise.

Recipient: OK, but I don't understand -

Attacker: I can spell you his name, maybe you can check in your Outlook.

Recipient: Yes.

Attacker: The first name is D-A-I-C-H-I, and the family name is M-O-R-I. *(Small Pause)*. Do you want me to spell the name again?

Recipient: No, I can see his picture. Can you tell me who you are again?

Attacker: Yeah, my name is Dana Hobbs and I am from Japan.

Recipient: OK, from which company? Are you a customer of ████████ Enterprise?

Attacker: I am a client with ████████ Enterprise, I am working with ████████ International.

Recipient: Can you give me a customer number that you have?

Attacker: Well, I don't have a customer number. I wanted to speak with Daichi Mori and unfortunately, I am in China right now. Due to Corona virus, I am not able to travel back to Japan, and my laptop is not working today.

Recipient: OK.
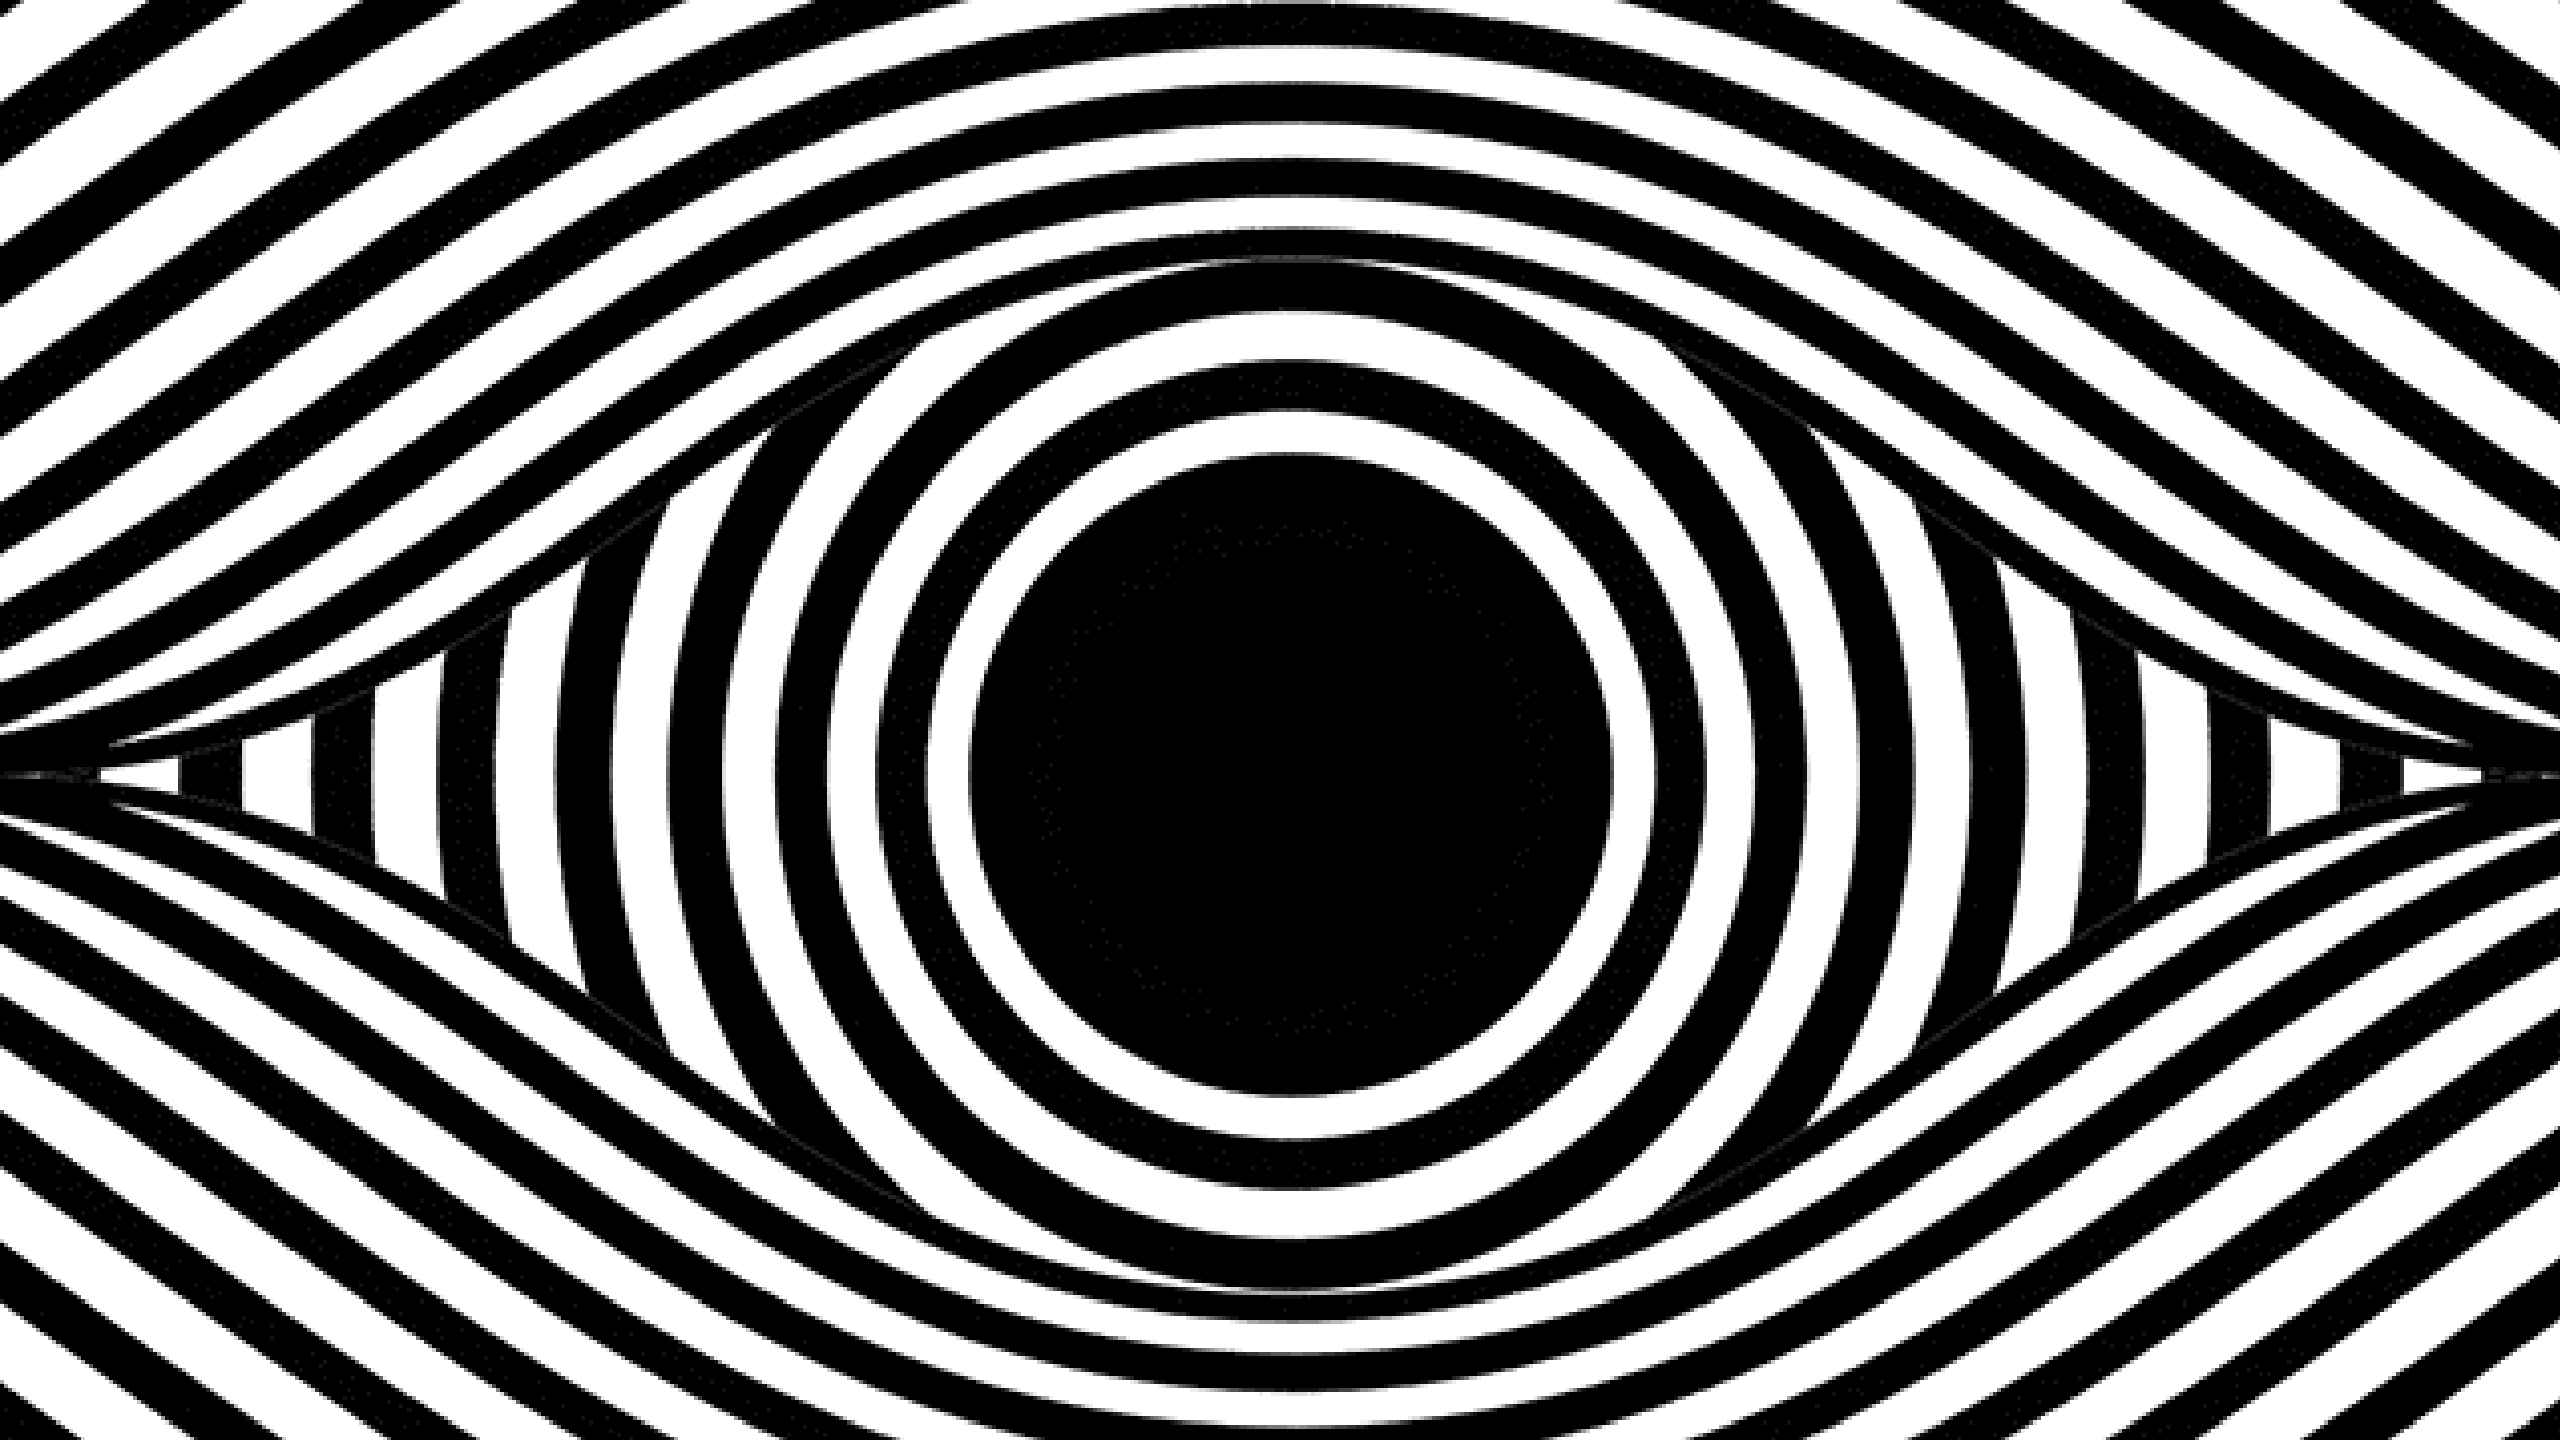

Attacker: Can you please help me to look for Daichi? I want to connect him to a director from ████████ International.

ĎAKUJEM
